#### • *Mount Browne – possible application for listed status*

### 6. Highways and rights of way

#### • *New Pond Road railway bridge*

The railway bridge and the parish lanes were reopened, as promised, on Friday 13<sup>th</sup> July.

#### • *SCC Rights of Way & Countryside Access annual report 2017-18*

This was circulated to councillors before the meeting. Councillors were concerned that many of the parish rights of way are badly overgrown. It is possible to report these problems to SCC Highways via the county council website although, with a limited budget, not all are being cleared. However, it is understood that the more reports that are received for a particular path, the greater is the likelihood that the work will be done.

No borough or county councillors were present and no reports had been received.
8. **Loseley matters**  
The following event will take place at Loseley:

Cllr Taft reported that the profit from the Big Lunch was £206, of which £70 would go towards the proposed war memorial and £136 to Shooting Star Chase.
